Letter No. 742—688, dated 20th June 1893, from the Deputy Commissioner, Chitaldroog District

I have the honor to state that an enquiry made by me has disclosed the existence of a diversity of practice as regards the disposal of the skins of the carcasses of unclaimed cattle in the District.

2 In a few places they are given away gratis to Bégars of villages, while in others they are dealt with as unclaimed property, the sale proceeds being credited to Government

3 In my humble opinion, the right of Government to these hides may be waived in favor of Bégars, who are a very useful class of village servants and who among other things are called upon to patrol their villages during nights, to carry reports, &c., to Police Stations, to carry dead bodies to the Hospital for *post-mortem*, to wait upon and obey the Orders of the Police and of other Officers and lastly to assist the Patel and Shanbhog in the collection of Government revenue.

4. While involving no great loss to Government, this suggestion seems calculated to impress upon the Bégars that their services are not unappreciated and unrewarded by Government.

5. I beg therefore to recommend that Bégars may be permitted to take free of payment the skins of all such unclaimed cattle as may die within the limits of the villages to which they belong.

No. 1593-601—J. 89, DATED, BANGALORE, 19TH JULY 1893.

ORDER THEREON.—Government approve of the Deputy Commissioner's recommendation and sanction its general adoption.

Letter No. 3885—961, dated 3rd June 1893, from the Deputy Commissioner of the Kolar District, stating that under the Proviso to Section 30 of the Mysore Land Revenue Code, Revenue Officers under the grade of a Taluk Sheristedar are required to obtain the permission of the Deputy Commissioner or Superintendent of Revenue Survey to whom they are subordinate, as the case may be, before purchasing or bidding for any property sold by order of any Revenue or Judicial authority in the District in which they are at the time employed, whereas Section IX, para 12 of the Rules thereunder relieves such officers from the obligation of obtaining previous sanction, and that if the word "acquire" in Section IX of the Rules include acquiring by bidding for lands at a public sale, the provisions of the Code and of the Rules are contradictory.

ORDER THEREON.—Para 12 of Rule IX of the Rules issued under the Land Revenue Code with Notification No. 150, dated 22nd July 1890, does not dispense with the sanctions necessary under Section 30 of the Land Revenue Code for bidding or for purchasing at public sales, and should not be read in the sense in which the Deputy Commissioner suggests.

Correspondence ending with letter No. 1029, dated 1st April 1893, from the Superintendent of Revenue Survey in Mysore

No. 504-5—R. F. 93-92, DATED, BANGALORE, 8TH JULY 1893.

ORDER THEREON.—With his letter No. 911, dated 21st February 1893, the Superintendent of Revenue Survey submitted for sanction, a statement of lands under private tanks in the Bowringpet Taluk, for which remission of ¼th wet assessment was claimed and recommended.

2. In this office No. 15893—R. F. 93-92 of the 23rd March 1893 an enquiry was made as to whether it was to be understood by the remarks made

in several cases to the effect "1sthar quoted, ¼th remission of wet assessment allowed," that ¼th of wet assessment used to be remitted before Survey Settlement, and a report was called for as to whether such a remission was granted in cases Nos. 10, 12, 13 and 14 before the Survey Settlement was introduced. The Superintendent was also requested to submit the records in these cases and in case No. 12 for ascertaining what the rate of wet assessment was, which was fixed when the lands became irrigable by the construction of the private tank in each case.

3. The Superintendent now submits an extract from the diary in case No. 10 and also the original orders of the Deputy Commissioner in the other cases. The papers submitted show that though exactly ¼th assessment was not remitted, reduced rates of assessment involving a remission of nearly ¼th assessment were charged on the lands prior to the introduction of the Survey Settlement.

4. Under these circumstances, the Government are pleased to sanction the remissions proposed. A statement showing the names of the tanks referred to and the assessment of the lands now in occupation under each is hereto appended.

5. It must be clearly understood and explained to the owners of the tanks that if they fail to keep the tanks in good order, and any of the lands under them, now under occupation, are relinquished in consequence thereof or so abandoned as to necessitate their being sold for arrears of revenue and bought in by Government, the remission now sanctioned will be withdrawn and the tanks taken under the management of Government.

Chief Secretary.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Revenue),—dated 8th July 1893.

2. *Opening Balance.*—Compared with the figures of the corresponding month in last year, the opening balance in the Districts of Bangalore, Tumkur, Hassan, Chitaldroog and Shimoga has been heavy, showing what has been noticed in previous orders that collection work during the current year has not been as it was last year. The Districts of Kolar and Mysore show better results in this respect.

3. *Current month's demand.*—The falling off is considerable in Tumkur, Mysore and Kolar. The Shimoga, Kadur and Hassan Districts show an increase. The Deputy Commissioners are requested to explain the variations.

4. *Collection and Balance.*—The percentage of the balance to the total demand during the current month stands as follows when compared with similar results during last year:—

Districts	April 1893.	April 1892. Percentage.
Bangalore	48·92	44·26
Kolar	34·34	60 99
Tumkur	27·33	49 67
Mysore	43 97	48·51
Hassan	26·26	24·1
Shimoga	44 02	34·23
Kadur	41·46	29·28
Chitaldroog	2·47	3·54

5. In the above statement, the Districts of Chitaldroog, Hassan, Tumkur and Kolar appear to advantage, while those of Kadur, Shimoga and Bangalore are the reverse. The entire current demand stands collected in Chitaldroog and fairly so in Tumkur and Kolar. The Khistbandi having been simplified and better adapted to the convenience of the agricultural classes, there is no excuse for each month's demand not being fully collected in that month.

6. *Forests.*—The opening balance, demand, collection and the closing balance as compared with the corresponding month of past year stand as noted below:—

8. *Sayer.*—No remarks.

9. *Salt.*—The results have not been satisfactory in the Mysore, Tumkur, Hassan and Kolar Districts which show under this head an uncollected balance of Rs. 294, 697, 204 and 468 respectively.

11. Bangalore, Tumkur, Mysore, Shimoga and Kadur Districts should try to show better results.

12. *Miscellaneous.*—The collections in Mysore, Shimoga and Kolar have been slack and as a consequence heavy balances of Rs. 23,615, 9,780 and 2,448 respectively are left uncollected at the close of the month. In Hassan, Kolar and Chitaldroog the balance is nil and in the Bangalore and Tumkur Districts it is less than Rs. 150. The Deputy Commissioners are requested to take steps to collect all the balance remaining uncollected.

13. The Government notice with regret that the Deputy Commissioner of Mysore District was not able to submit Statement No. 8 within the prescribed time, while all the other Deputy Commissioners did so. Government attach great importance to the punctual submission of these Returns.

READ THE FOLLOWING LETTERS :—

Letter, dated 27th March 1893, from the President, North Mysore Planters' Association, to the Secretary to the Dewan of Mysore.

I have the honor to inform you that Mr. McDonnell, Special Assistant Commissioner for Abkari, has been visiting the planting districts with reference to recent proposals as to opening arrack shops on several of our estates.

2. Mr. McDonnell's enquiries have led him to certain conclusions, which he will at once lay before Government of His Highness the Maharaja of Mysore.

3. Mr. McDonnell suggests, as a special case, to meet the requirements of our coolies who cannot in these parts obtain the cheaper Toddy spirits available in the low country, and more effectually to put down illicit distillation, to compete with the arrack thus available by reducing the Government duty.

4. In the first instance he looks to a very largerly increased consumption to recoup to Government loss or possible loss. Further to a reductio' of 10 to 15 per cent in the strength of the arrack to help towards the same object.

5. All planters endorse his proposals. The present price of arrack is prohibitive, or almost so, to the ordinary laborer on 4 annas a day. The cooly will have his arrack and if Government rates are prohibitive, resorts to illicit distilling or goes elsewhere. Place within his reach a good wholesome liquor at a rate competing with illicit stills and at once the inducement to fraud is done away with.

6. We hear numbers of our coolies are this year going to Coorg especially Lambanis, and we are told one inducement is a cheaper liquor so that if Government consent to Mr. McDonnell's proposals, they would assist us in keeping our labor and so by keeping the cooly within his own country increase the circulation of money in Mysore.

7. You are aware of the difficulties already existing in our competition for labor with other industries, especially planting districts of Coorg. We are heavily handicapped owing to the want of power to extradite and the inefficiency of the labor Act, and if to other advantages already enjoyed by employers of labor beyond Mysore, is to be added greater inducements in this question of arrack, Government would be increasing our difficulties instead of doing their best to reduce them as has been their declared policy.

Letter from the Excise Commissioner, to the Chief Secretary to the Dewan of Mysore, No. 5667—356, dated 26th April 1893.

In reply to your Official Memo No. 17544—2141, dated 22nd instant, I have the honor to forward herewith, for information, copy of letter No. 5555—107, dated 18th instant, addressed to the Deputy Commissioner, Kadur District, directing the sale of a cheaper spirit, *viz.*, 30° under-proof, to meet the requirements of the laborers on coffee estates. I believe that the cause of illicit distillation in coffee estates is not the high rate of the price of arrack of the authorised strength, *viz.*, 20° under-proof, but the non-existence of shops within an easy reach of the laborers. I have therefore requested the Deputy Commissioners of the Kadur, Hassan and Shimoga Districts to arrange with coffee planters for the opening of special shops in or near their Estates. A copy of my Circular No. 3671-79—97, dated 26th December 1892, on the subject, is also herewith enclosed for information. The Deputy Commissioner, Kadur District, has accordingly already opened several shops and has reported that he will meet the planters concerned and make arrangements for opening out more shops. The Deputy Commissioner, Shimoga District, has reported that there are no coffee estates in his District, but that enquiries are being made, if any of the Lambani Tandas are not within an easy reach of the existing arrack shops. The report from the Deputy Commissioner, Hassan District, is awaited.

2. If, after some experience, it is found that liquor cheaper than 30° under-proof should be sold in the above shops, arrangements will be made for the sale of spirit at 35° under-proof in them.

No. 1282-3—R. 213, DATED, BANGALORE, 16TH JULY 1893.

ORDER THEREON.—The Excise Commissioner's action is approved and communicated to the President, North Planters' Association, for information.

2. The action taken for the Hassan Malnad should be reported.

3. Care should be taken that shops are established only to meet a want and not unnecessarily so as to increase drunkenness.

Chief Secretary.

Kolar	73	35
Tumkur	60	15
Mysore	47	31
Hassan	50	26
Shimoga	40	27
Kadur	56	30
Chitaldroog	7	1

PART I.

REVENUE-FOREST.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Revenue-Forest),—dated 16th July 1893.

READ:—

Correspondence ending with letter No 4709—533, dated the 26th June 1893, from the Inspector General of Forests and Plantations in Mysore, forwarding copies of certain correspondence between himself and the Joint-Secretary for Railways on the subject of Sleeper Contract for Birur-Shimoga Extension of the Mysore State Railway, and stating that pending orders of Government, the execution of agreement by Mr. Wallace has been deferred.

No. 768-9—R. F. 315-92, DATED, BANGALORE, 16TH JULY 1893.

ORDER THEREON.—The present form of agreement was settled after due discussion and consideration, and any delay in its execution by Mr. Wallace and commencement of work is deprecated.

2. There is however no objection to the words "and instruments" being inserted after the word "labor" in clause VII.

3. The substitution of words, "Superintending Engineer for Railways" for "Chief Engineer" wherever they occur in the agreement is a mere verbal alteration which may be given effect to by the addition of a general clause at foot of the agreement.

4. According to the new form, the contractor is liable to pay $13\frac{1}{2}$ annas per cubic foot for lengths of 6 feet and multiples of 6 feet only, though he is bound to utilize logs of $6\frac{1}{2}$ feet if the Forest Department happens to give them. He is not to pay for the excess of $\frac{1}{2}$ a foot. If this excess is worth having, the Forest Department should cut off the excess and keep it, or (in view of what will be the case in the vast majority of instances) take care, when they cut at all, to cut only 6 feet and not $6\frac{1}{2}$ feet lengths. If it is not worth having, the contractor will leave it in the sleeper. Thus, either way, the point is of no importance.

5. As regards "Rate of delivery" in clause VI, Government observe that the margin has been purposely kept wide. The quantity should not be too low so as not to afford the contractor a fair income, and should not be too high so as to entail an unnecessary anticipatory outlay on the Public Works Department, but it should be just as much as would furnish as rapid a supply as the Public Works Department can use up. The Forest Department should bestir itself and supply timber in as business-like a manner as any private Timber Merchant would in such a matter. When once the sleepers are approved, they should be dealt with by the Public Works Department, so that the contractor shall have nothing to do with stacking or carting them beyond the site of the nearest Railway station on the Shimoga-Birur line.

6. In case the Birur-Shimoga Railway is not to go on, the Forest Department or the Railway Department should arrange for the ready transport by Rail for other extensions, and in case it is to go on, ballast trains should take them from station to station to meet plate-laying.

7. For reasons explained by the Inspector General, it is impracticable to open a work-shop at Birur. Sleepers should therefore be manufactured at Shimoga and Tarikere, and work may at once begin at Tarikere for the present by preference.

8. As to the price payable by the Railway Department to the Forest Department per sleeper, it is a point for inter Departmental arrangement, and final orders thereon are deferred pending the receipt of a representation expected from Mr. Groves.

9 Adverting to the modification suggested by Mr. Ricketts as to the quality of the sleeper to be supplied, it will be noted that the quality of sleepers will depend entirely upon the nature of the timber supplied, as the contractor is bound to use for sleeper work only the timber supplied to him, and he has only Government Timber to take. The point therefore is one to be borne in mind by the Forest Department who should take care to supply only such timber as would yield sleepers of the kind required.

10 The form of agreement as revised in the terms of the above observations will be forwarded to the Inspector General for information and necessary action.

Chief Secretary.

5. *Water tax.*—The estimate proposed amounting to Rs. 500 is stated to be the amount of tax expected to be collected from a few persons for special house service pipes and is passed.

6. *X. Miscellaneous.*—The chief items of variations under this head are noted in the margin. The increase under "(*d*) Pounds" is stated to be due to the estimate having included the fees recovered for feeding impounded cattle in accordance with Government Proceedings, dated 24th August 1891, No. 6227-39—429. The decrease under "(*n*) Other Items" is only nominal, as the estimate excludes several items which were hitherto erroneously included under actuals. Government, however, consider that the estimate under "Sale of manure" is much too low, but it will be retained for the present, pending a report from the Deputy Commissioner, whether considering that the French Rocks Municipality made as much as Rs. 250 out of this item in 1892-93, steps could not be taken to make Mysore yield a much larger amount.

(*d*) Pounds—Increase of Rs 200.
(*n*) Other Items—Decrease of Rs. 546.

7. The estimated receipts as now sanctioned comes to Rs. 1,04,898. To this being added the sum of Rs. 23,503 the opening balance in favor of the Municipality, the sum available for expenditure during 1893-94 is Rs. 1,28,401, of which Rs. 1,04,638 are proposed to be expended during the year, leaving a balance of Rs. 23,763 at the end of the year.

8. *Head Office.*—The proposed estimate for 1893-94 includes no provision towards the Vice-President's allowance, for which Rs. 600 was sanctioned for 1892-93. This accounts for the decrease under this head. As under Government Proceedings, dated 5th May 1893, No. 18334-5—L. F. 197-92, the Municipality has to contribute monthly Rs. 250 towards the salary of the Vice-President, a sum of Rs. 3,000 will be inserted in the Budget.

9. *III. Collection—(b) House and Mohatarfa taxes.*—The decrease under this head is the result of a gross decrease of Rs. 1,350 on account of the pay of the City Amildar and a gross increase of Rs. 720 on account of the pay of the Collector. As the post of the City Amildar has been dispensed with, the provision for his pay has been properly omitted. The increase of Rs. 720 is due to the provision newly made for the pay of the Collector proposed to be employed by the Municipality. As this appointment has not been sanctioned by Government, the new provision will be struck out. No provision for a new appointment or increase should in future be entered unless and until the previous sanction of Government shall have been obtained thereto.

10. *IV. Conservancy—(a) Establishment.*—The Board propose the employment of 12 Sweepers on Rs. 6 each and 20 Sweepers on Rs. 5 each in addition to the scale sanctioned for 1892-93. This accounts for the increase in the estimate, which is sanctioned.

11. *IV. Conservancy—(b) Other charges.*—The provision of Rs. 60 sanctioned in 1892-93 for Hand Carts has been omitted and that for clothing and carts has been raised from Rs. 250 and Rs. 6,120 to Rs. 400 and Rs. 6,840 respectively. Pending the receipt of a separate reference on the subject, which the President is requested to submit, the increases proposed will be disallowed and the estimate reduced to Rs. 6,720*.

* Estimate under Conservancy (*b*) for 1893-94—

	Rs.
Total ...	6,780
Deduct ... 60(Hand Carts)	
Estimate sanctioned for 1893-94 ...	6,720

12. *VII. Lighting.*—An increase of Rs. 950 over the sanctioned estimate for 1892-93 is entered in the present Budget on account of the marginally noted purposes and a remark appears against this item in Budget Statement No. III that "the Board sanctioned an increase to the number of lamps by 50 and the leasing of the lighting on contract." If the resolution of the Board is carried out, separate provisions under the items noted above would appear to be superfluous. Pending an explanation, the provision for 1892-93 will be repeated in the present Budget.

	Rs.
(1) 3 lamp lighters at Rs. 5 each in addition to 17 now existing ...	... 180
(2) Cost of oil, increase from Rs 4,500 to Rs. 4,950.	... 450
(3) Purchase of new lamp posts, increase from Rs. 480 to Rs. 800.	... 320

13. *VIII. Public Works—(a) Supervision Establishment.*—The increase under this head due to the provision newly made for the pay of a Laskar proposed to be allowed to the Municipal Engineer is sanctioned. As proposed by the Board in their resolution, dated 29th April 1893, No. VI, the services of the 2nd Sub-Overseer will be dispensed with. As directed in Government Proceedings, dated 25th May 1893, No. 19916-8—L. F. 197-92, provision will be inserted on account of the carriage allowance of Rs. 30 per mensem sanctioned to the Municipal Engineer and the estimate under this head will be reduced to Rs. 3,072.

14. *VIII. Public Works—(b) to (o) Works.*—Considering the funds available, the provision made for works, of which details are given in Budget Statement No. II, is fair and is passed.

15. *IX. Charitable Grants—(a) Dispensaries.*—The Branch Dispensary of Old Agrahar has recently been removed to a rented building and a provision of Rs. 36

has accordingly been made on account of its house rent. Hence the increase in the estimate, which is sanctioned.

16. *X. Education.*—The insertion of a new provision of Rs. 500 on account of the result grant to Pial schools and the omission of estimate of Rs. 360 for the Anglo-Indian Boys' School closed in July 1892 account for the net increase of Rs. 140 proposed under this head. The proposal to pay result grant to Pial schools should form the subject of a separate communication and pending such reference and the orders of Government thereon, the new provision of Rs. 500 will be struck out.

17. *XI. Miscellaneous*—(*b*) *Repayment of loans.*—The provision of Rs. 2,000 made on account of the 2nd instalment payable towards the loan of Rs. 10,000 sanctioned in Government Proceedings, dated 21st October 1886, Camp No. 843-4, is accepted.

18. *XI.* (*c*) *Cattle Pounds.*—The provision of Rs. 175 sanctioned in the Budget for 1892-93 on account of the construction of a cattle pound has been omitted and in lieu thereof a sum of Rs. 200 is newly entered in the present Budget on account of feeding charges of the impounded cattle. Hence the increase in the estimate, which is sanctioned.

19. *XI.* (*h*) *Other Items.*—The variations under this head are noted below :—

	Increase.	Decrease.
(1.) Clock Tower Garden Kamati on Rs. 6... ...	...	72
(2) Kukarhalli Musafarkhana Chengulis 2 at 3 ...	...	72
(3) Water works maintennnce Establishment ...	...	6
(4.) Advance to be adjusted	..	1,000
Total... .	...	1,150

20. *Item I.—Clock Tower Garden.* –There are at present 1 Kamati on Rs. 6 and 1 Waterman on Rs. 5 for this garden and the Board propose to do away with the former as unnecessary. The proposal is approved and the estimate sanctioned.

21. *Item II.—Kukarhalli Musafarkhana.*—A provision of Rs. 144 was tentatively sanctioned for 1892-93 to meet the salaries of 2 Changulis and 1 Watchman and gardener for the Musafarkhana, subject to the submission of explanation as to how the Musafarkhana was utilized and whether the watchers employed at the Kukarhalli Tank could not be made to watch the Musafarkhana also. As the Musafarkhana is stated to be mostly utilized by the Civil Courts for the deposit of movable properties under attachment, it is evidently not available for travellers. Under these circumstances the provision for a watcher will be retained temporarily pending a report from the President as to any arrangement he may come to with the Civil Courts as to the utilization of the premises, if they are not wanted for travellers.

22. *Item III.—Water works maintenance Establishment.*—The decrease of Rs. 6 is in other charges, for which Rs. 760 is entered in the present Budget. The provision will be passed, but the details for the lump sum provision of Rs. 760 should be submitted.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Local Boards Branch—Municipal),—dated 28th July 1893.

READ :—

Letter from the President of the Bangalore City Municipal Commission, dated *14th April 1893, No. 251, submitting the explanation called for in Government Proceedings, dated 31st January 1893, No. 13214-19—L. F. 272-92, in regard to the Budget Estimates of the Bangalore City Municipality for the year 1892-93.

*Received in this Office on 17th May 1893.

Dockets, dated 19th and 22nd May 1893, Nos. 281, 287 and 279 respectively, stating that the explanation called for was submitted with his No. 251, dated 14th April 1893.

No. 778-83—L. F. 272-92, DATED, BANGALORE, 28TH JULY 1893.

ORDER THEREON.—The above explanation has been received after the expiration of 3½ months from the date of Proceedings calling for the same. Moreover the letter is dated 14th April 1893, but it has not been received till the 17th of the following month, or a month and 3 days. Such delays and irregularities should be carefully guarded against in the future.

2. *Octroi.*—The actuals are stated to have exceeded the estimate under this head by Rs. 356. The President therefore proposes to raise the estimate by that amount. The estimate will be raised accordingly.

Para of Government Proceedings.	Para of President's letter.
3	2

3. *X. Miscellaneous—M. Contribution.*—The President proposes to enhance the estimate already sanctioned by Rs. 2,592 on account of the marginally noted 4 items. Item 1 will be retained and item 2 will be slightly raised by Rs. 20 in accordance with the details given in Para 2 of the President's letter, dated 4th May 1893, No. 259, the remaining 2 items being struck out for reasons given in Paras 20 and 22.

(4). Pilgrim Chattram or Tirupati Chattram	300
	2,592

4. *Slaughter House Contract.*—As the sums collected under this head represent fees on every head of cattle slaughtered and not house rent, the estimate would more appropriately appear under "III (*b*) Other Licenses" as remarked in Para 14 of the Government Proceedings and not under "IIV. Rents."

Government Proceedings.	President's letter.
14	4

5. *Grant-in-aid.*—The early submission of the Deputy Commissioner's report in regard to the contribution payable by the Sivaganga Matt towards the Sanskrit College at Bangalore will be awaited.

6. The estimated receipts as now revised amount to Rs. 1,11,791.

Charges.

7. *III. Collection—(a) Octroi.*—From the statement showing the collection made in the several months of 1892, compared with the corresponding months of the previous year, it would appear that there was a falling off of revenue in 6 months and a slow rise in the remaining 6 months. His proposals for the expansion of revenue from Octroi will be awaited.

Government Proceedings.	President's letter.
19	8

8. *III. Collection*—(*b*) *House.*—The post of the City Amildar having been abolished, the provision made for his pay will be reduced from Rs. 600 to Rs. 334.

Government Proceedings.	President's letter
20	9

9. *III. Collection*—(*c*) *Other Items.*—Government are glad to learn that the superintendence of the ward for incurables has been transferred from the Market Sergeant and Hackney Carriage Inspector to the Hospital Assistant in charge of the Aralepet Dispensary, which is located close to the ward.

Government Proceedings.	President's letter.
21	10

10. *IV. Conservancy*—(*a*) *Establishment.*—With reference to the item of Rs. 854 disallowed by Government on account of temporary establishments entertained by the Municipality without sanction of Government, the President now states that the services of 2 Dafadars will be done away with and their pay for May and June may be disallowed, but that others will have to be retained on the ground that provision has been made newly in the Budget for the charges which has been hitherto informally incurred for several years. Government do not see the necessity for the retention of the provision. The increased provision made under A should suffice as already remarked in Para 23 of the Government Order sanctioning the Budget for 1892-93, for all practical purposes. The 10 hands under B thus thrown out should be merged in A.

Government Proceedings.	President's letter.
23	11

11. As regards extra wages for 12 Sweepers for working on Sundays, in respect of which Government took objection as strange and objectionable, Government adhere to their opinion that it ought not to be allowed. It is unique so far as the Mysore Province is concerned. The President's apprehension of a strike appear to be far-fetched as the discontinuance of the practice would affect only a microscopic minority of the conservancy establishment and the practice does not exist in the Civil and Military Station of Bangalore. Government have no objection however to the President making proper arrangements to regulate the working of the establishment, so that the Sweepers may do the extra work by turns so as to insure an occasional holiday to these low-paid and useful class of workers.

12. Under the explanation now given, the provision made for the pay of the main Road Overseer, whose post is proposed to be done away with from 1st May 1893, will be reduced from Rs. 180 to Rs. 150.

Government Proceedings.	President's letter.
24	12

13. *IV. Conservancy Carts.*—The increased rate of Rs. 12 per mensem for each cart having since been sanctioned by Government, the estimate provisionally retained is passed.

Government Proceedings.	President's letter.
25	13

14. The President now explains that 17 out of 23 Katchara carts employed are owned by the Municipality and states that the provision of Rs. 500 made for "purchase of carts" is necessary for the purpose of constructing and repairing box and barrel carts for removing night-soil and urine. The provision will be passed; but in future, the number of carts to be constructed or repaired and the cost of each should invariably be noted against the provision.

15. *VII. Lighting.*—The provision for lamp posts (Rs. 1,750) which is proposed to be utilized as shown in the margin is sanctioned, but item 3 is indefinite, inasmuch as the number of lamps has not been given. The President is requested to state how many of the existing lamp-posts are stone ones requiring to be replaced by iron ones, whether all the lanterns and lamps are owned by the Municipality and if so, whether the

(2) 36 Lamps ...	100
(3) Additional Lamps.	450
	1,750

damaged ones have to be replaced by the Municipality or by the Contractor. Under the explanation now given, the provision made for the pay of the Peon to the Lighting Inspector will be struck out.

16. *VIII. Public Works.*—The increased provision made for the Overseer is approved. The President reports that watchmen for the following sources of drinking water-supply are necessary and requests that the provision made for the same be sanctioned that entered for the remaining watchmen as noted in the margin being done with :—

LOCAL BOARDS BRANCH—LOCAL FUNDS.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Local Boards Branch—Local Funds),—dated 4th July 1893.

READ:—

Letter, dated 14th June 1893, from the Deputy Commissioner of the Tumkur District, stating that the monthly accounts of expenditure under Local Funds General prescribed in Government Proceedings, dated 20th May 1893, No. 19635-44—L. F. 428-92, will be submitted from July 1893, and that the consolidated account for 1892-93 will be submitted with the Administration Report for the year.

No. 92-100—L. F. 428A-92, DATED, BANGALORE, 4TH JULY 1893.

ORDER THEREON.—As the current official year is nearly out, the monthly accounts for Local Funds General should be submitted from July 1893.

2. The annual account for 1892-93, should be submitted with the District Fund Administration Report for the year.

Letter from the Senior Surgeon, dated 1st June 1893, No. 4894, forwarding letter, dated 5th May 1893, No. 1888, from the President of the Bangalore City Municipality and enquiring whether the sum of Rs. 250 therein referred to has to be refunded and if so whether Europe medicines and appliances are to be supplied to all the other Municipal Dispensaries in Bangalore, Shimoga and Mysore, free of charge.

No. 797-806—L. F. 91-92, DATED, BANGALORE, 18TH JULY 1893.

ORDER THEREON.—The sum of Rs. 250 referred to in the above should be refunded to the Municipality of Bangalore.

2. Under Para 6 of the late Chief Commissioner's Proceedings, dated 26th October 1875, No. 6123—G. 141, Europe medicines and appliances of all Local Fund Dispensaries in the Province are a proper charge upon Provincial Funds. Since the Dispensaries in the several Municipalities are maintained partly from District Funds, and partly from the Municipal Funds, the cost of Europe medicines supplied to them must be met from Provincial Funds. This however is not necessary in the case of the Market Dispensary at Bangalore, which is strictly a Municipal Dispensary, the entire cost of which including the pay of the Hospital Assistant is borne from Municipal funds.

Docket from the Deputy Commissioner of the Chitaldroog District, dated 16th May 1893, No. 654—608, requesting that an additional sum of Rs. 4,000 may be sanctioned for "Conservancy charges" and the provision of Rs. 924 made in the current year's District Fund Budget of the Chitaldroog Circle on account of the pay of Sweepers of the 3rd Class Travellers' Bungalows and Musafarkhanas may be raised to Rs. 1,128 for reasons given in Local Fund Board's Proceedings, dated 8th May 1893.

No. 807-9—L. F. 111-92, DATED, BANGALORE, 18TH JULY 1893.

ORDER THEREON.—Government observe that the provision of Rs. 1,000 proposed by the Local Fund Board for conservancy charges for 1893-94 having been considered insufficient, it was raised to Rs. 8,000 (*Vide* Para 17 of Government Proceedings, dated 22nd April 1893, No. 17337-41—L. F. 111-92). The additional grant now recommended therefore appears unnecessary.

Proceedings of the Government of His Highness the Maharaja of Mysore, (General),—dated 1st July 1893.

No. 119-26—G. 48.

MYSORE DEWAN'S OFFICE.
Bangalore, 1st July 1893.

OFFICIAL MEMORANDUM.

The following letter from the Deputy Commissioner of Kolar District, No. 38, dated 30th April 1893, is communicated to the Deputy Commissioners of other Districts for their remarks and opinions. Deputy Commissioners of Districts including Kolar are requested to submit a copy of the Service Registers of their respective Revenue Sheristadars with all particulars written up to date, including details of Service and other Tests which they may have passed.

"By Order,"

T. ANANDA ROW,
Chief Secretary.

To—The Deputy Commissioner, Kolar District
The Deputy Commissioners of other Districts.

(Letter from the Deputy Commissioner, Kolar District, No. 38, *dated 30th April* 1893).

With reference to Government Proceedings No. 16936-8—G. F. 315-92, dated the 21st April 1893, directing that Gopalaiengar doing the duties of Revenue Sheristadar in the Bangalore Deputy Commissioner's office be seconded in the list of Amildars and authorizing Srinivasa Rao, Revenue Sheristadar of this office to draw a salary of Rs. 150 per mensem as Senior Sheristadar, I beg to embrace this opportunity of suggesting for the consideration of Government the advisability of ranking all the Revenue Sheristadars with and transferring them to the list of Amildars so as to be eligible for promotion as vacancies occur. Nominations to the District Sheristadarship may be made from amongst candidates who have passed the Local Service Examinations prescribed for an Amildar and such of the present incumbents, as have not passed the same may now be required to do so. The Amildars employed as District Sheristadars may be sent out for executive work in the Taluks as necessity arises.

The arrangement proposed above will in my humble opinion improve the "Sheristadar Service" which as it now stands affords no scope for promoting deserving Sheristadars.

Letter, dated 1st July 1893, from the Honorary Secretary, Mysore Literary Union.

The Mysore Literary Union has on its rolls upwards of one hundred members. It is desirous of electing a representative to the Mysore Representative Assembly to represent the Literary and Educational interest of the City. I beg to inform you that the Union has been strictly non-political and literary in its aims. It has been in existence for the last 18 years. Hitherto the number on the rolls was below one hundred, now it has gone above that number. This fact and the necessity that is felt to obtain additional encouragement to Educational and Literary interests from a Government noted for its uncommon care in these matters has induced me to request you to move the Government to extend to the Union the privilege of sending a representative to the Dasara Assembly.

Hoping that you will kindly place this before the Dewan, the Noble President of this Institution, for favorable consideration.

No. 310-11—G. 107, DATED, BANGALORE, 8TH JULY 1893.

ORDER THEREON.—The request contained in the above is sanctioned and communicated to the Deputy Commissioner, Mysore District for needful action.

The following Letter No. 1411, dated 29th May 1893, from the Deputy Commissioner, Mysore District.

With reference to my letter No. 422, dated 10th August 1892, recommending the Amildar f Heggaddevankote for a Malnad allowance and the order of Government No. 3513-4—871-92, ated 1st September 1892, sanctioning the same, I have the honor to state that a portion of the Iunsur Taluk is also Semi Malnad. The area of the Taluk is extensive and the Kasaba is notriously unhealthy. The Revenue and Magisterial work of the Taluk is so heavy that Ir. Meiklejohn once wanted to have a *Deputy Amildar* to be placed in charge of a Subivision of the Taluk. Kesavaiengar, the present Amildar, is a 2nd Class Magistrate and an nergetic and active Officer. He exerted his best to make the toddy sales very successful; e has induced raiyats to repair the tanks in 2 or 3 villages, besides improving the sanitation f a good many villages. On the whole I am happy to report that he has so far rendered excelnt service and deserves encouragement. I beg therefore to recommend that a Malnad allowance may be sanctioned for this Taluk also.

No. 436-7—G. 160, DATED, BANGALORE, 8TH JULY 1893.

ORDER THEREON.—An allowance of Rs. 25 per mensem is sanctioned for Iunsur Taluk as a Semi Malnad Taluk with effect from 1st May 1893.

II. In the disposal of the appeals aforesaid, the following Rules shall be observed:—

1 (*a*). The appeals aforesaid shall ordinarily be heard by not less than two Members, but if for any reason, two Members are unable to sit together on any day fixed for hearing, appeals may be heard by a single Member. In the latter case, the Member hearing the appeals shall forward his decisions with the records of the cases to another Member. If such other Member concurs in the decisions, they shall be given effect to. If, however, he differs from the decisions of the Member who heard the appeals, he may either refer the cases for the decision of the remaining Member or Members of the Council as provided in clause 1 (*b*), or direct that the cases be posted again for hearing before two Members of the Council.

1 (*b*). When there arises a difference of opinion between two Members of the Council on any material question pending before them, such question shall be referred to the remaining Member or Members of the Council and the decision of the majority shall be regarded as the decision of His Highness' Government.

(2.) No fee shall be awarded for any legal practitioner who may be allowed to appear.

(3.) No order of a subordinate officer shall be modified or reversed in appeal without due notice of the hearing of the appeal to the party whose interests are affected by the order in appeal.

(4.) Every petition of appeal shall be duly stamped and be accompanied by the decision or order appealed against, or by an authenticated copy of the same.

(5.) Petitions of appeal may be presented either in person to a Secretary or Under-Secretary or at the Meetings of the Council or to the Dewan, or they may be forwarded by post or deposited in the Petition box at the Dewan's Office, addressed to the Chief Secretary.

(6.) When a petition of appeal is received by a Secretary or Under-Secretary, if it be defective either on the ground of insufficient stamp or absence of copy of order appealed against, the same shall be at once returned with a note of the defect under the signature of the Chief or Under-Secretary. If it be found in order and not deficient as aforesaid, there shall be endorsed upon it, under similar signature, the section of the Revenue Code under which the order appealed against was passed, and with such endorsement, it shall be submitted for orders to a Member of the Council. Such Member will either reserve the petition for disposal at any subsequent sitting of the Council, or call for proceedings or report or both, and at the same time, he may, if possible, fix a convenient day for the

hearing of the appeal, giving notice thereof to the respondent where considered necessary. The order to issue notice to respondent may be passed either when calling for proceedings, or after perusal of proceedings called for. If appellant is not present when a date for hearing is fixed, a notice to him also will be necessary.

(7.) Every petition which is unnecessarily prolix or argumentative or which is couched in disrespectful or intemperate language shall be returned to the petitioner by the Member of the Council to whom petitions are submitted for orders under Clause (6) of this Rule.

(8.) Any petition of appeal may be rejected by a single Member of Council (without notice to either party or calling for proceedings) if, after perusal of the petition and of the order appealed against, and after hearing the appellant, if present, there appear no grounds for any interference with the order appealed against.

(9.) The foregoing Rules, contained in Clauses (1) to (8), shall *mutatis mutandis* apply also to all applications for revision.

(10.) A copy of every order in appeal or revision under these Rules shall be communicated for the information and guidance of the subordinate officers concerned.

(11.) The work of hearing and disposing of the appeals shall be distributed between all Members of the Council in such way as is most convenient with due regard to the despatch of public business.

III. A brief but clear abstract of every decision in appeal or revision, containing a concise statement of the points at issue, with the decision of Government thereon, shall be published in the Monthly Volume of the Proceedings of the Government under a separate head "Decisions of Government in Revenue Cases." Any decision of special importance may be published in extenso under this head below the abstract above referred to.

No. 1763-71—G. 521, DATED, BANGALORE, 27TH JULY 1893.

ORDER THEREON.—Having duly considered the circumstances of the case and the opinions of the Judges of the Chief Court as to the measure of the Pensioner's guilt, the Government consider that although Venkata Rao has been convicted of abetment of the offence of fabricating false evidence and has thus been guilty of grave misconduct, and the Government have the power to stop his pension, yet it is not necessary to exercise that power in this case. Except for an offence involving Treason or other serious offence against the State it is not desirable to interfere with a pension earned by past service under Government. The value of such pensions would diminish by Government interference under circumstances of a comparatively trivial character.

Correspondence ending with Letter No. 14 of 27th September 1890, from the Huzur Khazana Bakshi.

No. 1985-6—G. F. 14-93, DATED, BANGALORE, 30TH JULY 1893.

ORDER THEREON.—The subject of bettering the condition of the Pallegar classes in Mysore has, for some time past been engaging the consideration of the Government. Their stipends during Dewan Purnaiya's administration amounted to Rs. 1,427—10—6 per mensem. After various fluctuations during the administration of His Highness the late Maharaja and in the early days of the Mysore Commission, the total amount of stipends stood in January 1834 at Rs. 1,518—7—1.

2. In 1834-35 the Government, having regard to their depressed condition, granted an increase of 135-13 C. Pagodas, thereby increasing the total amount of Pensions to Rs. 1,854—12—1. Again in 1860 Sir Mark Cubbon, on a consideration of their indigent circumstances and the rise in the prices of food grains, raised their pensions by 50 per cent. Once more in 1864-65 Mr. Bowring sanctioned a further increase of 25 per cent.

Proceedings of the Government of His Highness the Maharaja of Mysore, (General),—dated 30th July 1893.

3. There are at present 16 Pallegar families in the enjoyment of Pensions from the State aggregating to Rs. 3,143—10—9 (including the pensions of 5 deceased pensioners amounting to Rs. 138—4—7, claims of which are under disposal), as shown below :—

	Family.	No. of Pensioners.	Amount.

They comprise 62 pensioners with a considerable number depending upon them for support. Having regard to the higher standard of living at the present day and the rise in prices as compared with 1865 when Mr. Bowring granted 25 per cent increase, His Highness the Maharaja is pleased to sanction a general increase of 50 per cent to the present amount of Pallegar Pensions with effect from 1st July 1893 (commencement of the current official year).

PART I.

DECISIONS OF GOVERNMENT IN REVENUE CASES.

JULY 1893.

Appeal No. 51 of 1892-93.

Appellant.	*Vs.*	*Respondent.*
Nanjegauda of Devarayapatna, Hassan Taluk.		Hanumantegauda.

Appellant's father who is still alive, was the Patel of Devarayapatna. He ceased to do duties some time before 1889. Respondent who is a Hissedar claimed the office in 1889, and the Appellant admitted before the Amildar that Respondent's father and Respondent who were Hissedars were doing duties, and that Respondent might be appointed to the post, as his (Petitioner's) father was old and he himself did not want the office. The Amildar recommended Respondent for the office, but the Deputy Commissioner ordered the parties to be produced before himself. This was in April 1890. The parties appeared before the Deputy Commissioner in August 1891, when Appellant claimed the office for himself, but the Deputy Commissioner refused to comply with his request and appointed Respondent as it was found that he (Respondent) had been doing duties for 20 years. The appeal is against this order.

2. Appellant denies having stated before the Amildar in 1889 that he did not want the office, but his statement is attested by the Amildar, and the Appellant did not claim the office till he appeared before the Deputy Commissioner in August 1891, when he probably changed his mind.

3. Under these circumstances, the Government see no reason to set aside the order of the Deputy Commissioner, but, as remarked by the Deputy Commissioner, Appellant's claims may be considered when a vacancy occurs.

No. 195—P. F. 1-93, DATED, 3RD JULY 1893.

Communicated to the Deputy Commissioner, Hassan District.

(1). Petition of Appeal, No. 18 of 1892-93, from Sivappagauda of Hurali in the Sorab Taluk.

(2). Letter No. 941—701, dated the 28th December 1892, from the Deputy Commissioner, Shimoga District, and the Proceedings received therewith.

No. 196—P. F. 2, DATED, BANGALORE, 3RD JULY 1893.

ORDER THEREON.—On the death of Chanviramma, the last Khatedar, the Petitioner prayed that the Khate of the lands in his enjoyment at Hurali, be entered in his name. He urged that the lands belonged to him and were in his exclusive possession and enjoyment, and that neither his cousin Mariviraiya, father of Chanviramma, in whose name the Khate stood before it was transferred to Chanviramma's name, nor Chanviramma had any interest in them. The Amildar recommended the transfer of Khate to Petitioner's name under Para 10, Rule XXVI of the Land Revenue Rules. The Sub-Division Officer, however, ordered that though the lands were in the enjoyment of Petitioner's father and Petitioner, yet the Khate should be entered in Chanviramma's son's name, as it had been allowed to descend from Mariviraiya's father to Mariviraiya and from the latter to Chan-

viramma. The Deputy Commissioner affirmed the said order on appeal, and in doing so stated that the villagers should be warned to continue receiving Kandayam from Petitioner according to Mamul, and that if Petitioner was particularly anxious that the Khate should be entered in his own name, he should proceed by a regular suit. The present appeal is against this order.

2. The Government observe that this is not a case of disputed succession but of an independent claim for registry, and that in such cases the provision of clause 10, Rule XXVI should be given effect to in view to discouraging litigation. The attention of the Deputy Commissioner is called to the instructions conveyed in Circular No. 3098-105—Cir. 31, dated 19th May 1892 and he is requested to enquire into and dispose of the Petitioner's claim, under the provisions of the rule above referred to.

To—The Deputy Commissioner, Shimoga District, with Vernacular Proceedings.

Petition No. 343 of 1892.

Appellant .. Krishnaiengar, Shanbhog of Kadusettihalli, Kunigal Taluk.

The Deputy Commissioner of Tumkur ordered that a sum of Rs. 64 * being the amount of taxes on an oil mill and certain looms in Kadusettihalli not credited to Government, be levied from the Shanbhog of the village as a fine. The Shanbhog appeals against this order.

	Rs.	As	P
* 1. For Topasetti's oil mill for Parthiva, Vyaya, Sarvajitu and Sarvadhari	12	0	0
2. Tax on the looms of Parusa and Hounn, from Dhatu to Sarvadhari	52	0	0
Total.....	64	0	0

2. The Appellant denies the existence of the looms in question and complains that the evidence of witnesses was taken in his absence and no opportunity was given to him of adducing rebutting evidence.

3. It is not clear from the records whether the Appellant was present when the villagers were examined by the Amildar. Appellant's statement was taken on the 20th May and the witnesses examined on the 25th May. There is no note of cross-examination and no evidence on the side of the Appellant. As the evidence in the case is almost entirely oral, Government direct that an opportunity be given to Appellant to cross-examine the witnesses and offer rebutting evidence, and the Deputy Commissioner will give a fresh decision on the merits.

No. 682—P. F. 11-93, DATED 7TH JULY 1893.

Communicated to the Deputy Commissioner, Tumkur District.

Appeal No. 211 of 1891-92.

Appellant.	*Vs.*	*Respondents.*
Hanumaiya *alias* Hanumantaiya of Hirebasur, Honnali Taluk, Shimoga District, represented by Mr. L. Srinivasaiengar, Advocate.		1. Rangappa. 2. Giriyappa. 3. Timmaiya, represented by Mr. B. Ramaswami Chetti, Advocate.

In March 1871, Sikappa, the hakdar Patel of Hirebasur, Honnali Taluk, gave up his office owing to old age and recommended that his eldest son Hanumaiya who was illiterate, might be appointed Patel and that his younger brother's son Hanumantaiya might be appointed to do duties as Gumasta. Hanumantaiya was accordingly ordered to do duties pending further orders. Hanumaiya died leaving three minor sons to the Respondents. The 1st and 2nd Respondents on attaining

majority claimed the office and the Deputy Commissioner of Shimoga thereupon ordered in 1891 that Appellant Hanumantaiya be removed from office and that Respondent Giriyappa should be appointed Patel on probation. Hanumantaiya appeals on the ground that he was doing duties as hakdar in his own right in pursuance of a partition under which Patel Sikappa, his paternal uncle, made over the Pateli to him and not as Gumasta. The point for decision is whether Appellant did duty as Gumasta or as hakdar. In a petition, dated 10th January 1890, presented personally to the Jamabandy officer, Hanumantaiya states as follows. 'My Doddappa Sikappa during his life-time, about 1872, gave a petition and gave a deposition requesting that his son should be appointed Patel and that the duties should devolve upon me *as Gumasta*. In accordance with the same, ever since, I have been doing the duties. Now Sikappa's grandson Rangappa has petitioned to the effect that the office should be conferred on him and taken away from me. He does not write. Sikappa has deposed that my Gumastaship should never be taken away" This conclusively shows that Appellant was doing duties not as hakdar but as Gumasta to the late father of the Respondents. There is therefore no reason to set aside the order of the Deputy Commissioner appealed against. The appeal is rejected.

Letter No. 411, dated 4th November 1892, from the Deputy Commissioner, Bangalore District, submitting for orders the Proceedings relating to the complaint of one Ranga regarding the grant of Survey No. 33 of Basavanahalli, Magadi Taluk, to one Ruknodin for cultivation ; and stating that the Offg. Deputy Commissioner, Mr. Muhammad Ali, had, subsequent to the grant, ordered the land to be sold by auction, on the ground that there were a few trees and an old well on it; that the trees were shrubs of little value and the well was worth only Rs. 15; that he was not quite sure the grant of land to Ruknodin was wrong ; but that he had no power to revise the order passed by his predecessor.

No. 652—P. F. 10-93, DATED, BANGALORE, 7TH JULY 1893.

ORDER THEREON.—Both the Appellant and Respondent were heard in person.

2. Appellant Ranga's darkhast for a portion of Survey No. 33 was rejected on 24th May 1890, because it appeared from the Shekdar's report, dated 20th May 1890, that he (Ranga), at the time the Shekdar went to ascertain which portion was applied for, said he had since applied for a different land and did not want it. Subsequently Respondent Ruknodin obtained the whole land and he is in possession since March 1891. He has also put himself to some expense in improving the land and planting trees. It was subsequent to Respondent having been put in possession that Appellant applied for the land on the ground that he bore the expenses of erecting survey bhands. Under these circumstances it is inequitable to order the land to be put up to auction.

3. The Respondent Ruknodin has stated in his application to the Deputy Commissioner, that at the request of the raiyats, he has, of his own accord, given up the trees and well situated near the Basavanagudi for the use of the said temple; that he is ready to execute a Muchalika in that behalf and has put up his hedge excluding the portion containing the trees and well; and that if the trees and well are not required for the temple, he would pay their value and keep them in his holding. The trees and the well, if not required to be set apart for the temple, will be made over to Respondent, and their value Rs. 16 recovered from him.

4. The Respondent will also be required to pay to the Appellant such amount as may be fixed by the Deputy Commissioner as compensation for the expenses incurred by the Appellant in putting up the bhands.

To—The Deputy Commissioner, Bangalore District, (with the Proceedings) for communication of the order to both parties.

Appeal No. 161 of 1891.

Appellant .. Uriyagauda of Kommanahalli, Grama Sub-Taluk, Hassan District.

Appellant states that he applied for certain land assessed at Rs. 6—6—0 in Tarana (1884-85) and that as he was told that he might cultivate the land and pay the assessment and that the order for cultivation would be issued by and by, he did so and paid the assessment to the Shanbhog; but his application for the land is not forthcoming, and the Deputy Commissioner therefore ordered him to pay the assessment with arrears amounting to Rs. 44—10—0 for 7 years from 1884-85 to 1890-91 inclusive. The appeal is against this order. The Appellant states that he did pay the assessment. His Patta shows that the amount due by the Appellant exclusive of the land under notice and that actually paid by him were as follows :—

Year.	Demand as per Patta.			Collection.			Excess.		
	Rs.	A.	P.	Rs.	A.	P.	Rs.	A.	P.
1884-85	7	15	9	10	5	9	2	6	0
1885-86	7	15	9	10	5	9	2	6	0
1886-87	7	15	9	10	5	9	2	6	0
1887-88	7	15	9	10	5	9	2	6	0
1888-89	8	15	9	10	6	0	6	6	3
Total.....	35	14	9	51	13	0	15	14	3

The Shanbhog says that the excess paid by the Appellant is on account of the sums due by some other persons but paid by the Appellant for them. There is however no evidence to that effect. The Kirdi account shows that the amount credited in the accounts was—

	Rs.	As.	P.
In 1884-85	6	5	9
1885-86	12	8	9
1886-87	11	14	11

2. Under these circumstances the Government consider that the Appellant should be made to pay, not Rs. 44—10—0 but Rs. 44—10—0 *minus* the sum of Rs. 15—14—3 levied from him in excess of his Patta amount. The difference between the amount Rs. 42—13—2 brought to account and Rs. 51—13—0 shown in the Patta as paid, should be collected from the village officers who, upon due enquiry by the Deputy Commissioner, may be held responsible for the same.

Letter No. 585, dated 23rd September 1892, from the Deputy Commissioner of Mysore, submitting with the report of the Sub-Division Officer, French Rocks, the Proceedings connected with the appeal of Channabasavaiya of Soudenhalli, Mandya Taluk, complaining of the inclusion of his land in Government Kharab, Survey No. 10 in Kebbanhalli, and the imposition of fine for cultivating the said land.

No. 725—P. F. 13-93, DATED, BANGALORE, 10TH JULY 1893.

ORDER THEREON.—The report of the Sub-Division Officer which accompanied the above report, shows clearly that the land cultivated by Petitioner Channabasavaiya formerly formed part of his Khata, and that it was erroneously excluded from it at the Survey. The fine imposed on him must therefore be remitted and the land re-added to his Khata. The Deputy Commissioner is authorized to arrange accordingly.

To—The Deputy Commissioner, Mysore District, with Proceedings.

Petition No. 2816 of 1891.

Petitioners .. Lakshmipati Jois and 11 others of Kumsi.

ORDER.—The Petitioners, who say they are holders of Devadaya and Brahmadaiya Inam lands in the Shimoga Taluk, complain of the demand made for payment of Khalsat, and urge that they had uninterrupted enjoyment of their Inams, including the excess portion, for over 50 years prior to the date of the Inam Settlement.

2. The Petition is vague and does not give the nature, extent and other particulars of the Inams held by Petitioners.

3. Of the 12 Petitioners, two, *viz.*, Vasudevachar and Purnachar appeared on the date fixed for hearing. The former was not able to explain the nature and particulars of his Inam, while the latter stated that his Inam consisted of 3 pagodas *shist*, that out of 4 acres and 19 guntas held by him, 1½ acres were treated as Inam, and that, out of the remainder, a half was allowed as Inam and the other half assessed as Khalsat.

4. It is necessary to ascertain whether the Inams in question are of the nature of Malnad Inams, *viz.*, Inams granted by deduction in the demand on a Revenue Patta, or whether they are in the shape of land. The attention of the Deputy Commissioner is called to the observations made in Proceedings No. 10168-71—R. 1330-92, dated 25th December 1892, and he is requested to hold an enquiry as to the nature and extent of the Inams held by the Petitioners, the action taken by the Survey Department, in respect of each; and the relief sought by Petitioners. If upon the merits of each case, the Deputy Commissioner thinks that there is no ground for interference, he will issue an endorsement accordingly to the Petitioners. If on the other hand, the orders of Government are required, he will submit a detailed report.

No. 897—P. F. 157-92, DATED, BANGALORE, 12TH JULY 1893.

ORDER THEREON.—The Barabaluti Registers of 1854, 1863, 1866 and 1869 show that Timmegauda, the father of Appellant and Lachmegauda, the grandfather of Respondent were the hakdar Patels of the village, both actually doing the duties of the office. In 1870, Siddegauda, father of the Respondent was appointed to the place of his father Lachmegauda who represented that he was too old to do the work, and till 1884-85, he and Timmegauda were jointly performing the duties. In March 1885, the Sub-Division Officer ordered that Siddegauda alone should be registered as Patel, and he was accordingly the sole Patel till his death in 1887. On the death of Siddegauda, Timmegauda prayed that his son, the Appellant, be appointed Patel, but on the representation of Siddegauda's widow, the Respondent who is Siddegauda's son, was appointed Patel and the Appellant was appointed as his Gumasta. In July 1889, however, the Appellant was removed from his Gumastaship and one Puttegauda appointed as Gumasta at the request of the Respondent's mother. In September 1891, the Appellant prayed again that he may be appointed but his prayer was rejected, and he was ordered to be registered as hakdar. The appeal is against this order. The Appellant claims the office to himself either singly or jointly.

2. Virtually, the present appeal is against the order issued in 1887, and it cannot be now set aside. Nor can the Appellant be permitted to do duty jointly with the Gumasta of the minor Respondent as that would lead to complications and be contrary to existing practice and rules. The appeal is therefore dismissed. His claim will however be considered when a vacancy occurs

Appellant.	*Vs.*	*Respondent.*
Nanjappa Joisa of Alur, Tiptur Taluk, Tumkur District, represented by Pleader Sitaramaiya.		Cheluvaiya, represented by Mr. K. T. Narasimmaiengar, Advocate.

Appellant applied for a piece of land. It was sold in October 1891 in a public auction and the Appellant purchased it for Rs. 5. The sale was, however, set aside, on the ground that the sale proclamation was published only on 22nd October 1891, and the sale was effected before the expiry of 30 days from that date. The land was again sold in May 1892, when the Respondent purchased it for Rs 8. The contention of the Appellant is that the cancellation of the first sale was wrong, and that the ground of the cancellation applies to the second sale also, since the proclamation for the second sale was published on the 15th April and the sale took place on the 15th May 1892, after a lapse of only 29 days.

2. The Government consider that Appellant's second contention is correct. After a careful consideration of the provisions of the law, the Government are of opinion that, exclusive of the day on which the sale notice is published, and of the day on which the sale takes place, there must be an interval of clear 30 days, but as this has not been allowed either in the case of the first or of the second sale, both the sales must be cancelled, and the land resold after due notice. The Deputy Commissioner will be requested to do accordingly.

No. 900—P. 95, DATED, BANGALORE, 15TH JULY 1893.

ORDER THEREON.—It is the Dewan's desire that application for house sites should be disposed of expeditiously. In this case there seems to have been more than six months' delay. The Deputy Commissioner's particular attention is requested.

Appeal No. 57 of 1892-93.

Appellants .. 1. Kodappa, 2. Donne Linga of Bharampur, Hiriyur Taluk, by Mr. D. Venkatramaiya, Advocate.

The Deputy Commissioner of Chitaldroog fined 1st Appellant, Patel Kodappa, Rs. 36* for felling two Atti trees situate in Government land and suspended him from office for one year. He also fined 2nd Appellant and other person† Rs. 18 each for a similar offence in respect of two Atti trees situate in the same locality. The appeal is against this order.

* Rs. 16 price of trees.
„ 20 fine.
Rs. 36

† Rs. 8 price of trees.
„ 10 fine.
Rs. 18

2. The Appellants say that the trees cut are not the property of Government but of the owners of fields Nos. 338 and 334 whose permission they obtained. The owners of the fields corroborate the Appellants' statement, but the Amildar's enquiry shows that the trees cut by the Patel are outside No. 334, and that the trees cut by the 2nd Appellant was on the boundary line between No. 338 and the Halla. The enquiry, however, shows that the boundaries of Nos. 338 and 334 were not quite distinct, and that it was with some difficulty that the Amildar was able to trace the correct boundaries. As it is therefore possible that the Appellants in cutting the trees acted in good faith, the Government are pleased to reduce the fine imposed on the 1st Appellant to Rs. 24, and that on the 2nd Appellant to Rs. 12. The 1st Appellant may be restored to office at once, as the suspension he has already suffered is sufficient.

Appellant ... Lakshminaranappa of Lingadahalli, Sagar Taluk, Shimoga District.

Petitioner complained in 1887-88, that a portion of his Khata No. 63 became liable to submersion owing to an improvement made to the tank. The complaint was enquired into and at last the Survey Department found that 3 acres—9 guntas

assessed at Rs. 11 was liable to submersion and treated it as *Karab*. Petitioner requests that the assessment of the same collected from him from 1887-88 to 1893-94 be refunded to him. The Sub-Division Officer and the Survey Department consider that the assessment already collected need not be refunded as the Petitioner left this land and nearly one acre more uncultivated probably to suit his own purposes.

2. The Government are of opinion that the Petitioner is entitled to the refund claimed, and direct that it be granted.

Appeal No. 21 of 1892-93.

Appellant .. Subba Jois of Dodballapur, Bangalore District.

The site of the old village hedge at Kanganhalli, Chikballapur Taluk, was ordered to be disposed of (1) by allotting a portion which was adjacent to dwelling houses to the owners thereof for backyards, (2) by leaving a piece 3 yards in width for a pathway, and (3) by selling the remainder as house sites. In the sale proclamation issued by the Amildar, a vague and incorrect description was given of the land to be sold, and at the sale held on the 30th May 1891, the land available after allowing space for a pathway was marked off into 7 sites of different sizes without allowing any space for the backyards of existing houses, and the sites sold for Rs. 57—8—0. As the sale was not in accordance with the orders issued, the Deputy Commissioner ordered a fresh sale to be held after providing for backyards and road. Accordingly the second sale was, after due notice, held on 10th August 1891, and the sites newly marked, 9 in number, were sold for Rs. 71. The Appellant who had purchased 5 sites at the first sale, prays that the said sale be upheld and the second sale cancelled. He was present at the second sale, but did not bid for any of the sites though he was aware that the Deputy Commissioner had set aside the first sale and ordered a resale. The Government are of opinion that the first sale was unfair to the owners of existing houses and that it was rightly cancelled. The appeal accordingly is rejected.

1. Ramaiya. 2. Kampali of Birankal, Tumkur Taluk, represented by Mr. S. Narayan Rao, Advocate.		Ranganatha Mudaliar.

Certain building sites at Birankal in the Tumkur Taluk, were, on the application of one Ranganatha Mudaliar, put up to sale in May 1891 as belonging to Government, and purchased by the darkhastdar for Rs. 3 and the sale was confirmed by the Amildar on the 8th July 1891. On the 18th of that month, the Appellants prayed for cancellation of the sale on the ground that the sites originally formed part of their field, and that a Palya built by their ancestors but deserted during the famine of Dhatu once stood there. On the 24th March 1892, the Amildar granted an endorsement that he could do nothing in the matter, as the sale had been confirmed on 8th July 1891. The Appellants presented their appeal

... he Deputy Commissioner on the 22nd June 1892, but it was rejected as barred by limitation. The Deputy Commissioner observed that it was clear from the Appellants' petition that the sites reverted to Government when Appellants left them during the late famine (1876-77), that they had by sale gone to a third party's possession, and that the sale had been confirmed more than a year ago. At the Survey Settlement the sites had been treated as Government Kharab. Under these circumstances, the Government are of opinion that the Appellants had no right to the land in question at the time of the sale complained of, and accordingly decline to interfere with it. The appeal is rejected.

No. 2060—P. F. 21-93, DATED, 29TH JULY 1893.

Appeal No. 129 of 1891.

Appellant.	*Vs.*	*Respondent.*
Krishnappa, residing at Closepet, Bangalore District.		Venkamma.

There were two brothers Venkataramaiya and Seshappa. The former had three sons, *viz* :—

(1) Krishnappa (Appellant)
(2) Venkatasubbaiya, and
(3) Narasappa.

Respondent Venkamma is the daughter of Seshappa, she had a brother named Venkatadasappa who died in 1880.

2. The Barabaluti Register of 1864 gives the particulars noted in the margin.

1 Singasamudra village.
Original hakdar.
Krishnamma, widow of Dasappa no issue.
Sharers dependent—
1 Venkataramaiya.
2 Seshappa, sons of Venkatagiraiya brother of the said Dasappa Present incumbment—Ramaiya, Gumasta appointed by Krishnamma in Paingala (1857-58).
2 Chikmuduvadi village.
Hakdar—Venkatagiraiya.
Dependent Sharers—
1 Seshappa.
2 Krishnamma.
Present incumbment—Seshappa.
3 Pichankere village.
As per particulars given for Chikmuduvadi village.

3. The Shanbhogi of Singasamudra thus stood in the name of Krishnamma. After her death, Venkataramaiya and Seshappa recovered it in 1870. In 1871 Seshappa executed a kharar in favor of his elder brother Venkataramaiya relinquishing his right to the Shanbhogi of Singasamudra in favor of the said Venkataramaiya. In 1872, at the request of Venkataramaiya, the Shanbhogi of Singasamudra and Chikmuduvadi was registered in the name of his son Venkatasubbaiya, and Seshappa was appointed his Gumasta, the latter having in his deposition given before the Kankanhalli Amildar on the 29th July 1872, consented to the arrangement; he (Seshappa) continued to be a Gumasta until his death which took place in 1879. His son Venkatadasappa also died in 1880.

4. In 1884, Venkamma, Respondent, presented a petition to the Deputy Commissioner, Bangalore, praying that the Shanbhogi of the three villages mentioned above might be registered in her name. The Amildar reported that the three sons of the above named Venkataramaiya were the legal male heirs entitled to the villages in question. The Sub-Division Officer observed that the Register showed that "old hakdar Dasappa's widow Krishnamma was hakdar of Singasamudra and her husband's brother Venkatagiraiya was hakdar of Chikmuduvadi and Pichankere villages," that Venkataramaiya and Seshappa were divided brothers, that they were both dead, that the dispute was between the sons of Venkataramaiya

and the daughter of Seshappa, and that there was litigation between both parties. Considering these facts, he (the Sub-Division Officer) directed* that Singasamudra should be registered in the name of Seshappa's widowed daughter Venkamma during her life and the two other villages in the name of Narsappa (son of Venkataramaiya). Venkatasubbaiya (also son of Venkataramaiya) appealed against this order to the Deputy Commissioner who confirmed * the order of the Sub-Division Officer on the ground that Seshappa could not by his act deprive his lawful heirs of their hak and that what he did was only binding on him during his life-time.

*26th December 1884.

*29th January 1886.

5. Then there was a Civil Suit (No. 227 of 1886, Bangalore Munsiff's file) by Venkataramaiya's sons against Venkamma regarding a garden, in which a Razinama was presented by Venkamma. In this Razinama (which was dated 14th December 1886 and in accordance with which a decree of Court was passed) Venkamma acknowledged receiving from the Plaintiffs certain lands for her maintenance, and surrendered to them the garden in dispute and further expressly stated that she had no objection whatever to the Plaintiffs taking the property of her father and her brother.

6. On 24th October 1887, one of three brothers (who were Plaintiffs in Civil Suit 227 of 1886), *viz.*, Krishnappa producing a copy of the above Razinama applied that the Shanbhogship of Singasamudra might be registered in his name and not in that of Venkamma, as ordered in December 1884, and that his Gumasta actually doing duty might not be disturbed in favor of a Gumasta to be newly appointed by Venkamma under the order of December 1884. Upon this application the Sub-Division Officer (Mr. Syed Nasiruddin) refused* to interfere with his predecessor's order, dated 26th December 1884, confirmed by the Deputy Commissioner, (29th January 1886). Krishnappa then appealed to the Deputy Commissioner. This appeal was disposed of on 7th January 1891, by Mr. Syed Nasiruddin, (Offg. Deputy Commissioner) by declining to interfere in the matter. Krishnappa has preferred the present appeal against the last order of the Deputy Commissioner.

*7th September 1890.

7. From the facts above narrated, it is abundantly clear that the Respondent Venkamma has no right whatever to the Shanbhogship of Singasamudra. The Sub-Division Officer, Mr. Abdul Rahman's order, dated 26th December 1884, in her favor proceeded more from motives of humanity to provide some means of maintenance for a widow than from any consideration of the rights involved. There is no doubt whatever that the hak belonged to Venkataramaiya's son *exclusively* since 1872, under the arrangement made by Respondent's father Seshappa. Seshappa admittedly was only a Gumasta of Venkatasubbaiya (one of the sons of Venkataramaiya) since 1872. This Gumasta's daughter, the Respondent can have no manner of right to the hak, and the Sub-Division Officer's order of 26th December 1884 was altogether wrong; the Deputy Commissioner's reason for upholding it, namely, that Seshappa had no right to transfer the *hak* to his brother or brother's son under a family arrangement cannot be considered valid.

8. Moreover, when the Razinama of 14th December 1886 was produced, the matter should have been reconsidered and no steps taken to oust the hakdar's Gumasta who was the officiator. This Mr. Syed Nasiruddin some how failed to do both as Sub-Division Officer and Offg. Deputy Commissioner.

9. Under such circumstances Government cancel the Sub-Division Officer's order of 26th December 1884, and direct that either Venkatasubbaiya or any of the other sons of Venkataramaiya (as may be agreed upon between themselves) be registered as Shanbhog of Singasamudra.

Appeal No. 174 of 1891-92.

Appellant.	*Vs.*	*Respondent.*
Hundi Krishnamachar of Tirumakudlu Narsipur, by Mr. S. Ramaswami Iyer.		Mallappa, by Mr. L. Srinivasaiengar.

The Respondent is the Shanbhog of Binakanhalli and Megadahalli in the Tirumakudlu Narsipur Taluk, which are Sarvamanyam villages belonging to the Ahobala Matt. He has been doing the duties of the office since 1878, when his father retired owing to old age.

2. On the 12th September 1884, the Appellant obtained a lease of the said villages and certain other properties from the Guru of the Ahobala Matt for a period of 12 years for an annual rent of Rs. 2,400. He was for the purposes of the lease clothed with such powers as the Guru possessed.

3. In January 1885, the Appellant suspended the Respondent from the office of Shanbhog and issued a notice intimating the same to the villagers. The Respondent on his part issued a notice to the villagers warning them against the consequences of making payments to and obtaining receipts from, the persons appointed by the Appellant. Both the parties then submitted Petitions to the Deputy Commissioner who, on the 8th November 1887, issued a summary order declining to interfere with the order of suspension passed by the Appellant.

4. Before the said order was passed, the Respondent and his father filed a suit in the Munsiff's Court on the 20th September 1887, for recovery of damages for loss of Shanayam for two years, and for an injunction directing Appellant not to prevent their performing the duties of the office, but the plaint was, on the 7th November 1887, returned for presentation to a Court having jurisdiction. On the 5th November 1888, the Respondent and his father filed a regular suit asking for the said reliefs before the Deputy Commissioner, Mysore District, who, on the 23rd December 1891 passed a decree directing the restoration of the Respondent to the office of Shanbhog and the payment to him of half his pay (Rs. 1—8—0 per mensem) for the two years referred to in the Plaint. The appeal is against this order.

5. The Appellant is a mere Guttadar of the Ahobala Matt and it is questionable whether the Matt was competent to alienate or delegate its powers in regard to the appointment and removal of hereditary village officers, so as to make the latter subordinate to a Guttadar who is not recognised by the Government. This point was not considered by the Deputy Commissioner, who, however, has found that the alleged charges of insubordination, &c., preferred against the Respondent were not such as to justify his suspension or dismissal. The view taken by the Deputy Commissioner is in accordance with the principle laid down by Government in their order No. 4041—217, dated 13th October 1884, published at page 66 of the Revenue Manual of 1886, and this appeal is consequently rejected.

Appeal No. 42 of 1892-93.

Appellant.	*Vs.*	*Respondent.*
Chikka, residing in Garudanahalli, Nagamangala Taluk.		Tirumala.

Respondent is the holder of a portion measuring 38 guntas out of Survey No. 28 at Garudanahalli. In April 1890, the holders of the other portions of that number relinquished their shares, but the Respondent when questioned by the Shanbhog is said to have stated that he would neither give up his share nor take up the shares resigned. The Shanbhog reported this in the Kammi Jasti Book, whereupon the Amildar, at the Taluk Jamabandy in September 1890, gave the entire

land to the Appellant on the ground that Respondent did not want his share. In January 1891, the Respondent appealed to the Sub-Division Officer against the grant of the entire land including his share, to Appellant. The Sub-Division Officer ordered that the Respondent's share might be sub-divided and reserved to him, if Appellant, who was the holder of the entire number, consented to that course. The Appellant declined to give his consent, whereupon the Amildar informed the Respondent, in May 1891, that his share could not be restored to him. In November 1891, the Respondent appealed to the Deputy Commissioner, who, in the absence of any record to show that Respondent gave up his share, held that the Amildar's remark in the Kammi Jasti Patti, was not entitled to weight, that the Amildar was not competent to compel Respondent to give up his share or to bring the whole number under waste and that the orders passed by the Amildar and Sub-Division Officer could not be up-held. The Deputy Commissioner accordingly ordered that the share of the Respondent be confirmed to him and that the land be registered in the names of Appellant and Respondent jointly. The Appellant has appealed against this order. There is no reliable evidence of the Respondent having relinquished his share in the Survey field in question. If there was such relinquishment, it ought to have been secured in writing and in the form prescribed by Rule XXVI of the Revenue Rules. The alleged oral relinquishment is denied by Respondent, and under the circumstances the order of the Deputy Commissioner seems just and proper. It is hereby affirmed and this appeal rejected. The land restored to the Respondent should be treated as a sub-number.

Appellant.	*Vs.*	*Respondents.*
Narasanna of Gulur, Tumkur Taluk, by Mr. K. T. Narasimmaiengar.		1. Narasimmaiya, minor, by his father and guardian Narasimmaiya. 2. Venkatanarasaiya. 3. Ganesaiya. 4. Tirumalamma.

The Appellant seeks to recover possession of the office of Shanbhog of Gulur Amanikere in the Tumkur Taluk. His grand-father and father held the office as hereditary hakdars, and himself was registered as such, and discharged the duties of the office till 22nd September 1875, when, the Appellant's charge, which included 6 other villages, was broken up in pursuance of the Survey Superintendent's Circular order, and one Ramanna, a cousin of the Appellant's wife, appointed Shanbhog of Amanikere. On the death of Ramanna in the following year, the Appellant resumed charge of the office in question and held it till August 1878, when, on his representation that the work of both the charges was too heavy for him, one Venkatappa was appointed to the charge of Amanikere. On the death of Venkatappa in 1882 the 1st Respondent who is his cousin's son, was registered as the Shanbhog of Amanikere, and the 2nd Respondent appointed as his Gumasta. In 1889 the Appellant applied to the Deputy Commissioner for cancellation of the said appointment and asked for permission to appoint his own Gumasta, but the application was refused. In August 1891 he filed a regular suit before the Deputy Commissioner whereupon the Assistant Commissioner, who tried the suit decreed in favor of the Appellant. On appeal, the Offg. Deputy Commissioner, while upholding the Appellant's right as hakdar and the order to register his name as such directed that the 1st Respondent should continue to hold the office during his life, as a Gumasta. The appeal is against this order. The 3rd Respondent is a brother of Ramanna who had unsuccessfully filed a suit in 1890 against the 1st Respondent for the recovery of the office in question and the 4th Respondent is Ramanna's widow.

2. Both the Courts below concurrently found that Appellant was the hakdar of the Shanbhogi office in dispute, and that Venkatappa, through whom the 1st Respondent claims, was appointed as Gumasta, with Appellant's consent. When

Venkatappa died in 1882, the name of the 1st Respondent was irregularly, and unauthorizedly registered as Shanbhog and 2nd Respondent appointed as his Gumasta. As the 1st Respondent, as now found by both the Courts below, had no right to the office, neither he, nor the 2nd Respondent, his Gumasta, could be allowed to contest the Appellant's right much less withhold the office from the rightful owner. The Deputy Commissioner's order permitting the 1st Respondent to perform the duties of the office as Gumasta to the prejudice of the Appellant cannot therefore be upheld. The Appellant is clearly entitled to recover possession of the office.

3. The appeal is allowed and so much of the Deputy Commissioner's order as directs that the 1st Respondent should continue to do duty is hereby set aside.

5. Petition No. 1815—A S. 144 of 1891-92, from Lakkappa of Mavalli, Bangalore Taluk, praying that he may be allowed to select another land in lieu of the one resumed or that the mortgage amount due to him on the security of the land resumed, may be paid to him with two year's profits.

No. 894-5—P. F. 14-93, DATED, BANGALORE, 7TH JULY 1893.

ORDER THEREON.—On a perusal of the papers referred to above the Government observe that petitioner's mortgage rights in the Makan lands in question commenced prior to 31st January 1853 and not subsequent to 14th December 1867 and that through a mistake, due probably to the absence of a careful perusal of all the records connected with Original Suit No. 3 of 1856 in the Bangalore Sudder Munsiff's Court, the alienation to petitioner was treated as falling under Clause B, Rule II of the Notification of the Chief Commissioner, dated 17th November 1877, instead of under Clause A of the same. The lands in question, forming parts of Survey Nos. 7 and 15 in the village of Annipur, have now been taken up by Government. Under these circumstances it seems equitable to grant to Petitioner, in lieu of the lands mortgaged to him but which have been resumed by Government, such other lands as may be selected by the Revenue authorities, subject to a quit-rent of one-half the assessment under Clause A of Rule II of Chief Commissioner's Notification, dated 17th November 1877 unless the Makandar is willing to redeem the mortgage.

2. The Deputy Commissioner will forward to the Inam Superintendent a statement of lands selected for confirmation on half assessment as above stated.

READ :—

(1) Petition No. 1565 of 1892-93 from Marvadi Ratnaji of Arsikere appealing against the order of the Deputy Commissioner, Hassan District, rejecting his claim as a mortgagee to a house at Arsikere, attached and sold for arrears of toddy contract amount due by Davud Sab and 2 others.

(2) Letter No. 958, dated 8th April 1893, from the Deputy Commissioner, Hassan District, reporting on the said Petition

Facts of the Case.

Davud Sab was one of the 3 persons who jointly took up the lease of the Toddy shops of Arsikere and Kodihalli from 1st April 1892 to 31st March 1893, for a monthly rent of Rs. 446—4—0. On the contractors depositing one month's rent and executing a Mutchalika, they were given possession of the *bâb* from 1st April 1892, and then prayed for 20 days' time to produce a surety was granted. On 17th May 1892 they expressed their inability to produce a surety, and by 29th August 1892, the arrears due from them on account of May, June and July khists amounted to Rs. 1,142—2—9, which they failed to pay though they were served with notice. Thereupon the bâb was resold and steps were taken to recover the arrears. The amount of bid at the resale was Rs. 281—9—0.

2. Davud Sab's house at Arsikere was attached on 31st August 1892. On the 12th September 1892 one Pannaji, alleged to be a brother of Petitioner, objected to the attachment on the ground that the house had been hypothecated to him by Davud Sab and his brother under a registered deed, dated 12th March 1892, that he had filed a suit in the Munsiff's Court for recovery of the amount due thereon, about Rs. 350, and that Davud Sab was personally liable to the Abkari Department and not his property. The objection was overruled, on the ground that the Mutchalika executed by Davud Sab (dated 29th January 1892) was prior in date to the document relied on by Petitioner, and the house was sold on 24th November 1892. One Venkatadasappa was the highest bidder, for Rs. 390. The sale awaits confirmation.

3. The Petitioner urges—

(1) that the house was not hypothecated to Government under the Mutchalika,

(2) that it belongs to two, Davud and Mohadin Sab, while Davud Sab alone was liable under the Mutchalika,

(3) that in signing the sale Patti, the Petitioner has entered his protest.

4. The Deputy Commissioner refers to condition 1 of the Mutchlika which provides, that in case of default "the amount due shall be recovered in the manner laid down in the Rules now in force for the recovery of arrears of land revenue, by attachment and sale of the property of the Ijàrdar and his surety"; and states that under Section 143 of the Land Revenue Code, the claim of Government had precedence over the mortgage in favor of Petitioner and that it is not shown that Mohadin Sab has any independent interest in the house.

5. The Excise Commissioner is of opinion that the Petitioner's claim on the house is not sustainable, on the ground that the mortgage was 2 months after the execution of the Mutchalika.

6. As urged by the Petitioner no property of the contractors is hypothecated under it. The 1st condition therein contains a clause similar to what is to be found in clause (2) para 3 of the conditions mentioned in the printed License Form, *viz.*, that the amount "shall be recovered by the attachment and sale of the property of the defaulter and of his sureties, if any, under the rules in force for the recovery of the arrears of Land Revenue."

No. 1567-8—Pet. 127, dated, Bangalore, 20th July 1893.

Order thereon.—The Government observe that the house in question was not hypothecated under the Mutchalika referred to, as security for the amount due from the contractors. The Mutchalika only provides that the amount shall be recovered by the attachment and sale of the property of the defaulter and of his sureties, if any, under the Rules in force for the recovery of the arrears of Land Revenue.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Petition),—dated 20th July 1893.

2. Sections 193 and 143 of the Land Revenue Code cannot be construed as giving to the Government a right to recover arrears of Excise Revenue from the defaulter's property as a paramount charge, to the exclusion of existing encumbrances upon such property. In the present case there is a mortgage upon the house sold and the defaulter's property in it is merely an equity of redemption. This right to redeem the mortgage could have been sold, but not the house itself free from the existing encumbrance. Therefore the sale of the house is cancelled, but the Defaulter's "right, title and interest" in it can be proceeded against and brought to sale if necessary. If however the mortgagee and the mortgagor both agree, the former may be paid the amount of his mortgage out of the proceeds of the sale of 24th November 1892, and the balance credited towards the arrears due by the latter.

3. The Amildar (R. Madhava Rao) is much to blame for allowing the contractors to work the farm without previously taking from them the prescribed security, and for giving them 20 days' time to produce this security. The time given expired on 20th April and there was till then no actual harm done as the rent for April had been paid in advance. But the subsequent proceedings of the Taluk and District authorities in allowing the defaulting contractors to continue in possession till 29th April 1892 are characterized by gross delay and inattention to the Revenue interests of the Government.

4. The arrears due by the contractors for the period of their possession of the farm may, as a special concession, be now calculated at the reduced monthly rent of Rs. 281—9—0 obtained for it at the resale; the amount thus calculated should be recovered in due course from the three contractors in default.

Chief Secretary.

(1) Petition No. 2500, dated the 29th March 1893, from the merchants of Tumkur.

(2) Letter No. 950, dated 16th May 1893, from the Deputy Commissioner, Tumkur District, reporting on the above petition.

No. 1743-60—PET. 140, DATED, BANGALORE, 25TH JULY 1893.

ORDER THEREON.—The Petitioners complain that the Mohatarfa taxes are revised too frequently in the town of Tumkur. The taxes in Municipal towns are being revised in accordance with Government Order No. 8179-86—L. 647, dated 29th October 1891. If the Petitioners are not satisfied with the action of the Vice-President and the members associated with him, they may prefer their appeal to the Deputy Commissioner. The result of the revision should be intimated to Petitioners as early as practicable.

2. The Petitioners next complain that in respect of buildings used only as shops, two taxes are imposed, *viz.*, house-tax and shop-tax. The Deputy Commissioner, in justification of this procedure, refers to Rule II sanctioned in Government Order No. 5816-27—M. 286, dated the 2nd February 1880, which is as follows:—

II. The tax on shops shall also be separately and additionally levied without distinction at the existing rates for the present. Any modifi-

cation of these rates hereafter will depend upon any general re-classification which may be considered necessary with reference to the descriptions of trade carried on and the incidence of the tax on them; but the shop-tax and house-tax are to be distinct items determined with reference to their respective circumstances and to have no connection with each other.

3. The rule cited does not sanction the levy of both a house and a shop tax on the same building at the same time. For Mohatarfa tax in Municipal towns a building should be classed either as a house or as a shop. Where a building is used partly as a shop and partly as a house or residence, only that part which is used as a house or residence should be rated for a house-tax and the other part for a shop-tax. The Deputy Commissioner should, where necessary, revise the orders already passed by him, in accordance with these instructions.

4. The complaint regarding the levy of discount on currency notes has been already disposed of and Endorsement No. 306, dated 1st June 1893, issued to Petitioners. A copy of the Endorsement will be sent to the Deputy Commissioner.

5. The record in Criminal Case No. 68 of 1892-93 on the file of the General Assistant Commissioner and 1st Class Magistrate, Tumkur District, relating to the conviction of some cartmen for obstructing the public road, was sent for and perused, as the Petitioners complained that carts were not allowed to remain sufficiently long for loading and unloading purposes. It is observed that in that case there were circumstances to justify the prosecution and the Chief Court have seen no cause for interfering with the proceedings therein. The record will be returned to the Deputy Commissioner.

Chief Secretary.
